

# FOOTHILLS FLYER

PUBLISHED SEMI-ANNUALLY FOR MEMBERS OF FOOTHILLS FEDERAL CREDIT UNION

## Congratulations to the Class of 2019!

We are so excited to be able to award  
College Scholarships to 2 of our members:

Loudon – Kevin Castro

Lenoir City – Emma Grace Thompson

For the past 7 years Foothills Federal Credit Union has been collecting donations from our members and local businesses to buy school supplies for our area school systems. We contact the school and get a list from the teachers of their needs. We are able to purchase the items and deliver them before school begins each year. The items vary each year, some teachers ask for calculators and bookshelves. Other teachers may ask for just the basics like hand sanitizer and folders.

*Thank you so much for your Donations and SUPPORT.*

## Did you Know?

Once it was hard to tell a penny from a dime... Although they are different colors, pennies and dimes are very close in size. In 1943, copper was needed for war materials, so pennies were made out of zinc-coated steel. Because the color was silvery, it was easy to mistake a penny for a dime. Fortunately, pennies were only made that way for one year.
